CHARSFIELD CLUBHOUSE

THE CONCIERGE

The New Charsfield experience begins at the grand entrance where a concierge is on hand to welcome visitors, take care of deliveries and look after the needs of residents.

GARDEN TERRACE

The beautiful gardens of New Charsfield, landscaped by Jack Merlo, are lush and leafy, offering peaceful places to step outside and relax, surrounded by finely manicured hedges and mature trees.

PRIVATE DINING

A large dining room is available for residents to reserve for dinner parties and casual gatherings, supported by a full gourmet kitchen.

RESIDENTS' LOUNGE

With plush seating, a fireplace and beautifully crafted interior design by Hecker Guthrie, the residents' lounge is a communal space with individual charm.
